Leaving France?

Your preparation checklist

Your move, investments and administrative departure all deserve a place in the same plan. Start with the facts you already know.

01 Map your move

Record your origin, possible destination, intended dates and who is moving. Note what is decided and what is still open.

02 Record what stays and what changes

List homes, family arrangements, work, accounts, investments and business interests that need attention.

03 Gather the useful records

Keep relevant housing, travel, identity and financial records together. Note missing documents rather than guessing.

04 Prepare your questions

How will my household and economic connections change?
Should my shares or business interests receive an exit-tax review?
Which tax and address updates should I prepare?

05 Choose your next step

Build your free Exit Plan. Order a compiled report or a separately agreed written review only when you want that additional service.
